

DIRECTORY LISTING COORDINATOR (DLC)
DESIGNATION FORM – INSTRUCTIONS

PURPOSE:

Use the Directory Listing Coordinator (DLC) Designation Form to notify the Department of Technology Services, Statewide Telecommunications and Network Division (DTS-STND), of any additions, changes or deletions to your agency's designated DLC.

BACKGROUND AND INFORMATION:

The STND Directory Services (DS) is responsible for updating the California On-line Telephone Directory and for publishing the State Telephone Directory on a regular basis. The STND DS relies solely on the information provided by the various state agencies to update these directory listings. This information is also critical to the State Information Agents (formerly known as the State Telephone Operators).

To help maintain confidentiality of your data files, help ensure timely receipt of pertinent information regarding Directory listings, and to provide a regular point of contact, state agencies are required to complete a new DLC Designation Form each time there is a change of primary and/or secondary (back-up) DLC, or if other information changes.

The DLC Designation Form is used to report changes, additions, or deletions to the DLC list information on an ongoing basis. To help maintain the integrity of the DLC list, a manager or supervisor is required to sign the DLC Designation Form.

We are updating the State Telecommunications Management Manual (STMM), Chapters 0202.0 and 0708.0. These chapters should provide more information and instructions on DLC responsibilities and forms.

HOW TO COMPLETE AND SUBMIT THE FORM:

1. Print the DLC Designation Form found on our website. ([DLC Designation Form](#))
2. Fill out required fields on the form. Please print clearly.

You may fax or mail the completed form to the Statewide Telecommunications and Network Division.
